COMPANY OVERVIEW

SALEM LLC is a U.S.-registered general supplies and procurement company based in San Diego County, California. We provide sourcing and supply solutions for office furniture, institutional furniture, commercial kitchen equipment, medical equipment and supplies, and general commercial products for government agencies, military installations, prime contractors and commercial organizations.

CORE COMPETENCIES

- **Office & institutional furniture:** seating, desks and workstations, conference tables, filing and storage, reception, training and institutional furniture
- **Commercial kitchen equipment:** refrigerators and freezers, reach-in and walk-in refrigeration, ovens and cooking equipment, stainless prep tables, food-service equipment
- **Medical equipment & supplies:** medical furniture, examination-room equipment, medical storage, general medical supplies
- **General supplies:** office, facility and maintenance, and institutional supplies; commercial equipment; special-order procurement
- **Delivery & installation:** freight, unloading, staging and installation through vetted subcontractors

DIFFERENTIATORS

- Sourcing matched to each solicitation's country-of-origin and small-business clauses (Buy American, Trade Agreements Act, DFARS)
- One point of contact; line-item quotes listing manufacturer, model, country of origin, lead time and warranty

GOVERNMENT CONTRACTING

SALEM LLC welcomes requests for quotations from federal contracting officers, military installations and government prime contractors. No SBA certifications (8(a), HUBZone, WOSB, SDVOSB) are held, and SALEM LLC has no federal contract awards to date.

MANAGEMENT EXPERIENCE

Salim Alfalahi, Owner/CEO, reports having performed approximately 23 supply contracts supporting U.S. Army operations in Iraq after 2003 through his previous Iraqi company, ALHARITH PALACE COMPANY. This is the owner's prior experience with a separate company, not past performance of SALEM LLC.
